The standard of behaviour at the **Free For All Foundation (FFAF)** is that all Board of Directors, Staff, and Volunteers, scrupulously avoid conflicts of interest between the interests of the **FFAF** Organization on one hand, and personal, professional, and business interests on the other. This includes avoiding potential and actual conflicts of interest, as well as perceptions of conflicts of interest.

Intent

The understanding of the purposes of this policy, are to protect the integrity of the **FFAF** Organization's decision-making process, to enable our constituencies to have confidence in our integrity, and to protect the integrity and reputations of Board, Volunteers, and or Staff.

Upon or before election, hiring or appointment, individual's will make a full, written disclosure of interests, relationships, and holdings that could potentially result in a conflict of interest. This written disclosure will be kept on file and I will update it as appropriate.

In the course of meetings or activities, I will disclose any interests in a transaction or decision where I (including my business or other nonprofit affiliations), my family and/or my significant other, employer, or close associates will receive a benefit or gain. After disclosure, I understand that I will be asked to leave the room for the discussion and will not be permitted to vote on the question.

I understand that this policy is meant to supplement good judgment, and I will respect its spirit as well as its wording.

Policy on Conflicts of Interest and Disclosure of Certain Interests
